

2009 SUMMER BEACH FESTIVITIES

WELCOME TO THE 2009 SUMMER FESTIVITIES PROGRAMME

As the Mayor of Vendrell, it is a great pleasure for me to present this year's 2009 Summer Festivities Programme. These Festivities will be held in the luminous, optimistic setting provided by the sun and the sand, in the relaxed, holiday atmosphere that usually prevails during these next few weeks; they are open to everyone and will form an excellent backdrop for the local population and visitors to get to know each other and enjoy them together.

As you will see, the festivities programme of Coma-ruga, Sant Salvador, el Francàs and l'Family Railway Association) is filled with events and shows that will certainly be to everyone's liking. However, it is clear that above and beyond the activities in themselves, these Summer Festivities define all those who take part in them, and for this reason I would like to encourage you all to take an active part in them, as citizens.

My congratulations go to the different associations that have organised these Summer Festivities and I bid a hearty welcome to all those who have chosen our township as their holiday destination.

My hope is that we all enjoy these Summer Festivities to the full!

Benet Jané i Palau
Mayor of Vendrell
